Export Control Clause for Sales Contracts

Short version for General Conditions (Supply) and other short agreements-

Article X - Compliance with Export Control Regulations

i) If the Purchaser transfers goods (hardware and/or software and/or technology as well as corresponding documentation, regardless of the mode of provision) delivered by Evoqua or works and services (including all kinds of technical support) performed by Evoqua to a third party worldwide. Purchaser shall comply with all applicable national and international (re) export control regulations. In any event Purchaser shall comply with the (re) export control regulations of the Federal Republic of Germany, of the European Union and of the United States of America and national law. In the event of a conflict, national law shall prevail.

ii) If required to conduct export control checks, Purchaser, upon request by Evoqua, shall promptly provide Evoqua with all information pertaining to particular end customer, destination and intended use of goods, works and services provided by Evoqua, as well as any export control restrictions existing.

iii) Purchaser shall indemnify and hold harmless Evoqua from and against any claim, proceeding, action, fine, loss, cost and damages arising out of or relating to any noncompliance with export control regulations by Purchaser, and Purchaser shall compensate Evoqua for all losses and expenses resulting thereof, unless such noncompliance was not caused by fault of the Purchaser. This provision does not imply a change in burden of proof.
