If the carriage involces an utilimate destination or stop in a country other than the country of departure, the Warsaw Convention may be applicable and the Convention governs and in most cases limits the liability of carriers in respect of loss or damage to cargo. Agreed stopping places are those places (other than the places of departure and destination) shown under requested routing and/or those places shown in carriers irretables as scheduled stopping places for the routs. Address of lirst career is the airpor of departure. See conditions on reverse Hereo. The shipper certifies that the particulars on the face hereof are correct and agrees to the Conditions on Reverse Hereof.
